Description:

Enjoy a true "Up North" getaway on this beautifully landscaped 1-acre lot featuring gentle-to-level elevation and west views of a pristine Long Lake. Sand beach by the dock—perfect for lakeside relaxation and swimming, 24-foot roll-in dock offers convenient lake access for boating and fishing.

Included on the property is a 2022 Kropf Lakeside Park Model, offering approximately 400 square feet of living space. Features a private king bedroom, a double loft, Central Heat/AC, and a full bathroom with a fiberglass shower stall—comfortably sleeping up to six. Being sold fully furnished, the park model could also be sold if you wanted to simply buy a lot ready to build with utilities and septic tank in place.

Utilities are already in place, including a recently added 4-inch drilled well, septic system, and electrical service.

The grounds are well-maintained and landscaped with rock boulders, mature hardwoods, and towering pines. A lakeside patio with a fire pit sets the scene for unforgettable evenings by the water.

Perfect peaceful retreat, a future build site, or a low-maintenance vacation escape. Please schedule any showings.
