Description:

100 ft of frontage on Munson Lake! West facing views, and a Completely renovated cabin and permit for a 30x40 garage! New septic! Ask for complete list of updates.

As you enter, you're greeted by an inviting atmosphere that flows seamlessly through the open-concept layout. Walking through the entrance with convenient storage, the heart of this home is the stunning kitchen with vaulted ceilings in the kitchen with black/stainless-steel appliances, including a plumbed refrigerator and modern gas range with a custom vented microwave hood, complement the warm, natural beauty of hickory cabinets. Quartz countertops add a touch of luxury, while providing ample space for meal preparation and casual dining.

The living and dining areas are bathed in natural light, thanks to expansive windows that frame a picturesque West/ NW view over Munson Lake. Vaulted ceilings in select areas create an airy ambiance, enhancing the sense of spaciousness throughout the home. Rich, wood-look LVP flooring unifies the space, offering both durability and aesthetic appeal.

Retreat to the tranquil primary bedroom, a generous 130 sq. ft. sanctuary perfect for relaxation and rejuvenation. The second bedroom provides versatile space for a guest room, home office, or personal workout area, adapting to your evolving needs.

The bathroom showcases a blend of style and practicality, with a quartz top vanity, elegant fixtures, and custom tile shower with quartz bench. Every detail has been carefully considered to create a space that is both functional and visually appealing.

Energy-efficient LED lighting and updated systems such as the HE Bryant Furnace and Tankless gas water heater ensure comfort while minimizing environmental impact. New wiring/plumbing, and spray foam insulation.

This completely renovated. Whether you're seeking a lake getaway, or considering a vacation investment property, this charming lakefront residence has plenty of upside and comes with a permit for a 30x40 garage build with a 75 ft setback variance from the ordinary high-water mark at the lake. The building pad is prepped and ready for you to break ground. If more living space is desired, a loft could easily be incorporated with your garage build.

The landscape is also ready for your personal touch. The heavy lifting has already been done for you. 75 truckloads allow for the garage building pad, create a new path to the lake, and an expansive 100+ ft boulder bed on the North property line. New septic installed July of 2024 and recently certified.
