#### Description:

Beautiful country setting on 6.45 acres with a large one-level 3 bdrm-3bath home, insulated attached garage, and 32' x 68' pole building! The property is neatly tucked into a grove of Norway pines, a private back deck, and a large yard! The home features a convenient entryway mud room/laundry room with a 1/2 bath and laundry sink, conveniently located right off the attached garage. It then goes into the large kitchen/dining/family room and living room. The family room has a warm gas fireplace and there is vaulted ceilings throughout! Primary suite on the one end and the two other bedrooms on the other. This is a very nice flowing floorplan! In addition, there is a large deck off the dining room. Attached garage is insulated, and the pole building has power along with a loft area for extra storage. Property is located just south of Bagley off a paved road.
