Description:

Come see this beautiful Lake Miltona property! There is so much to like about this 3-bedroom Chalet. All the comforts of home and a place to kick back and relax. Attractive foliage and mature trees. The Chalet was updated in 2019 so the work is all done and even most all furnishings and household goods stay with this home. And two refrigerators and a freezer in good working order in the garage. When you get to the lake there is electricity available and enjoy the use of the beautiful 56 ft. aluminum dock that cost over \$14,000 which included in the price. The home's exterior is maintenance free and the spacious wrap-around deck is made of "composite" maintenance free material. Back up by the house, sit around a firepit on the yard and enjoy the beauty around you. The owners say they are really going to miss their neighbors. A lawn irrigation system can keep everything green and sharp looking, You'll also enjoy the oversized 2 car garage that has the real bonus of a 14' X 24' living area above it. You and your guests are going to fall in love with the seasonal space that sleeps 4, has a 7.5' x 10.5' ¾ bathroom, and a "coffee bar" sink. A nice concrete drive helps to keep the garage clean. The sellers are also selling a number of items that will include a 20ft. Premier pontoon, a matching lift with canopy, Adirondak chairs, and deck furniture. Seller reserves the right to pick the grapes in August and September and retrieve a "garden stone" by the lilacs given to Mrs. seller by her Mom. Just bring your things and start enjoying the home.
