Description:

This 'not a cookie-cutter' property offers a three-bedroom, two-bathroom home situated on 5 acres just outside Bemidji. The residence boasts an open floor plan with vaulted ceilings, providing a spacious and airy feel. Heating includes in-floor throughout the house and garage, which can be operated either separately or simultaneously. Key features include a double-sided fireplace accessible from both the living room and family room, a well-appointed kitchen with custom cabinetry and an island, generously sized bedrooms, and a primary suite equipped with a jetted tub and two walk-in closets. Additional amenities include central air conditioning, a stamped concrete patio, a hot tub, a double-attached finished garage with epoxy floors and waterproof panels, and more. The fully finished 52x48 shop could house all your toys or become your home entrepreneurial dream! It also has tubing run for in-floor heat and is ready to be hooked up to a boiler, a floor drain with a 500-gallon tank buried behind the shop with a drain field, a 125000 BTU propane heater, and spray foam insulation.
