Status: Active

Description:

This home will surprise you with the space inside. There is over 3000 sq ft of finished space to enjoy. You will find one bedroom on the main level with a walk-thru, walk in closet to the main level full bathroom. Downstairs there are two large bedrooms, one with double closets and the other with a walk in closet. The main level boasts an open concept with the kitchen, dining room and family room with a gas fireplace. The dining room has a set of French doors that leads to the oversized sunroom. The sunroom has vaulted ceilings and a sliding glass door to the private backyard. There is a formal living room on the main level in the front of the home and a large family room in the basement. The upstairs has a large finished space just waiting for you to decide how to use. The insulated garage is also a nice surprise with the back boasting an 11X22 heated workshop. This home has some touch up that need to be done, but it is move in ready. This home is one that you need to see to appreciate!
