Description:

Experience the Magic of Barb's Greenhouse & Gardens. Visiting Barb's Greenhouse and Gardens is more than just a stop—it's an experience. From the brightly painted ice cream parlor chairs to the whimsical fairy gardens and the primitive shed overflowing with flowers beneath a rusted tin roof, every inch tells a story. Wander through the charming gift shop and retail center, where every detail reflects creativity and care. And don't miss the fully functional outhouse—complete with two seats, because no northern garden center is complete without a bit of rustic charm and a good laugh. Every hand-painted sign, post, and fence whispers of love and imagination. Set on 3.62 acres, the property includes six greenhouses—most equipped with propane heaters, fans, and self-watering systems—each designed for ease, efficiency, and beauty. In addition to the greenhouses, you'll find multiple outbuildings, storage sheds, and a spacious 30' by 40' Morton building, offering room for expanded retail, workshops, storage, or events. Every corner offers inspiration and possibility. This isn't just a passion project—it's a profitable, well-established business, currently employing up to 12 people during peak season. It's ready for someone with vision to step in and take it even further. Dream big here: envision weddings under the stars, live music drifting through the gardens, cozy mornings in a coffee shop, sunset wine tastings, or book clubs gathered beneath hanging baskets. Barb and Joe are ready to pass the torch to the next generation of gardeners, creators, and dreamers. Gather your friends, your vision, and your passion—whether as partners, investors, or kindred spirits—and step into a lifestyle full of joy, creativity, and growth. Honestly, they should charge admission just to stroll these gardens. As Mark Twain once said, "If you love what you do, you will never work a day in your life." Isn't it time to start loving what you do? Enjoy the virtual tour!
