Description:

Rare opportunity to own a stunning Amish-built manor and a newly constructed guest house on a sprawling 85-acre property, featuring a large, productive corn field. The main home is a masterpiece of craftsmanship, boasting beautiful handcrafted hardwoods, spacious living rooms, and expansive dining areas, perfect for large gatherings. The property includes a massive heated shop, a heated attached garage, and an additional heated detached garage, all meticulously built for durability and functionality. The main home features a large basement, ideal for year-round vegetable storage or future finishing, with in-floor heat, electrical, and plumbing currently disconnected but available for reconnection before closing with the right offer. Complementing the main residence is a newly built guest house, offering modern comfort in a gorgeous setting. The guest house comes with its own independent well and includes a garage and carport. Electrical and septic systems can be installed prior to closing for the right offer, ensuring a seamless move-in process. This is an incredible chance to own a working farm with well-built heated outbuildings and ample space for your vision.
