All the good lake lots are taken...or are they? With this wooded one-acre lot on Pine Mountain Lake in Backus, Minnesota you can still get it all. Stunning sunrises, great fishing, great sandbar to cool-off in the summer, peaceful boating without the crowds and traffic, hard bottom natural shoreline, and instant access to the trails and recreation found in the Foot Hills State Forest. Pine Mountain Lake is one of the larger lakes in the region spanning 1,612 acres with over 9-miles of shoreline and a maximum depth of 80 feet, it offers an abundant array of fish for the avid angler. Whether you're looking for a place to park a camper, build a seasonal cabin, or your dream year-round lake home, this lot is the answer. The driveway has been installed, and initial clearing of less desirable trees has already been done – saving the oak and maple for the future owner's discretion.
