Description:

A true Northwoods legacy property. Set on almost 120 acres of rolling hills west of Pine River, mixed woods, open meadows, and groomed trails, this custom-built estate offers unmatched opportunity and year-round recreation. Surrounded by over 35,000 acres of state land with the Foothills and looks south for incredible views year round. The meticulously maintained five-bedroom, four-bathroom main home is rich with craftsmanship and warmth, designed for both everyday living and entertaining.

A separate guest house adds over four additional bedrooms, two bathrooms, a full kitchen, and an indoor half-court gym—perfect for hosting, multi-generational living, or a hunting weekend with friends. Enjoy the spring-fed pond stocked with sunfish and crappies, a fenced apple orchard with in-ground irrigation, and a setting ideal for hunting, riding, or simply enjoying everything Minnesota has to offer in one property. Barbless fencing, a horse shower, and a tack room make it horse-ready, and multiple outbuildings provide abundant storage or workspace.

The property also includes a dedicated home office & sauna. A new roof was installed in 2021.
