Description:

Enjoy peace and privacy on 41.24 wooded acres with a 3BR/3BA
walk-out home overlooking Whiskey Lake. This home features hardwood floors, built-in cabinets, a stone gas fireplace on the main level, and a wood fireplace below. The deck faces the lake for morning coffee and evening sunsets. There is a lightly cleared path that leads to a private dock. Outdoor enthusiasts will enjoy the miles of walking and ATV trails that run throughout the property and connect to 1,000+ acres of public land with access to another private lake.
Highlights include: New 1 inch to 1 1/2 inch rock on driveway, master closet with laundry hookup, lower level plumbed for wet bar, new windows and doors on main floor. The exterior of house and garage have been resealed, the ridge cap on roof has been replaced and the front deck has been repaired, stained, reinforced and wired for potential hot tub installation. The entry deck facing the garage has also been repaired and re-stained. There is a Kinetico water system and the lower level has been wired for a light fixture should the new owner want a pool table. In addition, since the sellers purchased the property, three outbuildings have been added:
1. 30x46 heated garage with electric and 2 overhead doors with remotes ,cement floor, upstairs storage and keyless entry.
2. 24x24 heated and with power insulated workshop with concrete floor. The floor in the workshop has been sealed with a non- slip safety coating which makes the floor harder and easier to clean.
3. 48x72 pole shed wth concrete floor. Two overhead doors with one in front and one in back.
A rare find for outdoor lovers and those seeking space, seclusion, and water access.
