#### Description:

Beautiful Country Home in Walker, Minnesota. This 3-bedroom, 4-bathroom residence is just minutes from town and sits on just over 3 acres surrounded by woods, offering ample room and privacy. The home has been recently renovated with many upgrades, including a sunny, custom kitchen with newer appliances, main floor laundry, and extensive storage. The main level also features open dining and family living spaces, along with two generously sized bedrooms and two bathrooms, providing convenient one-level living. A few steps down lead to a bright primary suite, including a walk-in closet and luxurious bath. The great room centers around a floor-to-ceiling grand fireplace and boasts soaring ceilings. Above, a massive wrap-around loft includes another bathroom and a bonus storage room, making this space perfect for an office or hobby room. Additional features include a 2-stall attached garage, recently installed low-maintenance siding, gutters, and energy-efficient windows, along with two good-sized decks, making it move-in ready! This is really a lovely home just waiting for you to make it your own!
