#### Description:

Dreaming of a cabin on a lake with acreage in Minnesota's "Northwoods"??? One-owner rustic log cabin on Walkerbrook Lake with 9.66 acres and 520+/- feet of frontage!! This property is VERY private and is located at the end of Brooke Trail. It is heavily wooded, featuring a very nice mixture of conifers and hardwoods, with rolling terrain. Accessing the lake is a breeze! There is a road to drive a vehicle/atv down to the water's edge or walk down from the cabin. The cabin is being sold "furnished" and includes a travel trailer for additional sleeping accommodations. A pontoon and the newer roll-in dock will also stay. In addition, there is a storage shed/outhouse, a 4" drilled well, and a septic system installed in the mid-1990s. The cabin is constructed using vertical logs, and features a vaulted ceiling with a loft, a split-rock fireplace, and an additional barrel stove for heat. This is truly the epitome of a "cabin on a lake"!!! Walkerbrook Lake is a wonderful fishery for a variety of fish species such as sunfish, crappie, bass, walleye, and northern pike.
