With vinyl siding, an attached 2-stall garage, and a large pole barn, there's room for everything from lake toys to workshop dreams. Inside, the lower level features a walkout family room warmed by a wood-burning fireplace, a generous lakeside bedroom, a 3/4 bath, laundry room, and updated mechanicals including a new water softener, heater, and furnace. It's functional, cozy, and ready to host. Upstairs, natural light and views of Girl Lake flood through huge windows, opening to a deck that brings the outdoors in.
