#### Description:

Step into nearly 6,000 sq ft of high-end comfort in this stunning, custom-built home located just west of town—combining convenient access with peaceful privacy. With multiple spacious bedrooms and 4 luxurious bathrooms, this home offers room to live, entertain, and grow.

The gourmet kitchen is a chef's dream, featuring premium appliances, high-end finishes, and ample space for both everyday meals and special gatherings. The formal dining room exudes elegance, while the theater room and loft with a catwalk add unique spaces for entertainment and relaxation.

From cozy fireplaces to the expansive living areas, every corner of this home reflects quality, comfort, and detail. Efficiency was top-of-mind in construction—fully spray-foamed walls and ceilings ensure year-round comfort and energy savings.

The exterior is just as impressive: a tar driveway leads to a triple attached garage, and a 30x40 steel pole building offers versatile storage for toys, tools, or hobbies.

This home is more than a place to live—it's an experience. Additional acreage available first to buyers of home.
