Description:

Tucked away on the shores of Blueberry Lake near Park Rapids, this rustic cabin feels like it's a world away. Towering pines and public land surround you, creating a private haven where the only sounds are the wind through the trees and the call of a loon. Mornings begin with coffee on the deck as mist rises off the lake, and afternoons are spent reeling in fish or roaming the hundreds of acres of county land just outside your door. As the sun sets, gather around the fire and watch the stars fill the night sky. This isn't just a cabin—it's a place where memories are made and the pace of life finally slows down. This is leased land from Becker County. Please ask your Realtor for more information on this process.
