Description:

This could be the perfect hobby farm as it is set up perfectly with all the buildings, 10 acres, loafing barn, pasture, fencing, water lines, amazing workshop and a beautiful ranch home. So, bring the horses! You will love the home with a main floor living, vaulted ceilings, stone fireplace and spacious floorplan. This home also features a huge kitchen island, hardwood flooring and in floor heat on both levels! The lower level has a large family room, 2nd bedroom and room to add bedrooms if you need more. This would also be perfect for the work-from-home contractor...wait until you see the heated shop! The owner re-built and expanded the driveway and built the 48' x 90' heated shed in 2024. The building features a bathroom, office, laundry, LED Lighting, floor drains and so much more. 18' sidewalls, and two over-head-doors (16' x 16' and 20' x 16'). Nothing spared in this building. The property also includes a second shed for storage and a 3rd outbuilding/barn for storage or the animals. The back of the property is perfect for a pasture and the fencing is already in! This is a hard-to-find property and ready for you to call home! Professional photos coming soon!!!
