Description:

Perfect Location, Scenic Views & Abundant Wildlife! This 4-bedroom, 2-bath home, built in 1991, offers 2,816 sq ft of living space on 2.5 acres—giving you the best of both privacy and convenience. Beautiful perennial gardens and mature fruit trees enhance the outdoor charm, while an attached 2-stall heated garage and a detached 3-stall garage provide plenty of room for vehicles, toys, and storage. Inside, you'll find custom cabinetry, granite countertops, stainless steel appliances, central vac, and a home generator for added peace of mind. The spacious layout includes a primary suite with vaulted ceilings and multiple living spaces—living room, family room, basement rec room, and office—perfect for both relaxation and entertaining.

Just a minute from downhill skiing and mountain biking, yet only minutes from downtown.
