Description:

Exceptional, one level home in the premiere Whitefish Golf Estates. Opportunities to buy in this unique community rarely present themselves. This one owner home has been impeccably maintained and the interior of this home offers beautiful upscale finishes. There are many features as seen in the property photos. Outside you will find beautiful landscaping complete with whole yard, in-ground irrigation. The association maintains a private golf cart path for homeowners to access the adjacent Whitefish Golf course. The private lot measures nearly one-half acre and the back boundary of the lot adjoins the 13th hole on the golf course. The homeowner's association is very well managed and financially sound. The HOA has no responsibility for home maintenance, but there is an architectural committee and association rules. The HOA is responsible for road maintenance, snow removal and grass mowing, sewer, water and garbage removal. In addition to the 1,424 finished square feet in the home, the separate 3rd garage stall contains 352 square feet of insulated and heated space. Currently used as a workshop or flex space.
