#### Description:

Enjoy front-row seats to the natural beauty of Woman Lake, part of the highly sought-after Woman Lake Chain. With 100 feet of shoreline, this home in peaceful Hunter's Bay offers scenic views of a nearby island and the quiet waters where loons return each summer to raise their young.

Stone steps lead down to a lakeside patio and fire pit, perfect for evening campfires, stargazing, and storytelling closer to the water. From here, explore over 5,500 acres of connected lakes, renowned for boating, fishing, and swimming.

Inside, an open-concept kitchen, dining, and living area is anchored by a classic brick gas fireplace, while a large bay window frames the flower-filled yard. The spacious dining room opens to a maintenance-free deck, ideal for morning coffee or sunset meals overlooking the lake.

The main level also features an owner's suite with lake views and a private en suite, plus a convenient powder room. The walkout lower level adds another bedroom with a private bath, a gathering room with built-in bookcases, and flexible space for game nights, hobbies, or a home office. A two-car garage provides additional convenience.

Whether it's peaceful mornings with the loons, adventurous days on the water, or cozy nights by the fire, this year-round home offers the best of Minnesota lake living on one of the state's most beloved chains.
