About Rock Lake:

Rock Lake is a 1,048-acre lake located about eight miles northeast of Detroit Lakes in central Becker County. It is locally noted for solid panfish angling, along with fair walleye, largemouth bass, and northern pike fishing. The lake is also well known for excellent late-season waterfowl hunting.

The surrounding woods are filled with deer trails worn down to bare dirt, and several of these lots provide plenty of space for deer, turkey, and even bear hunting. The location also places you close to Tamarac Wildlife Refuge, adding even more outdoor opportunities.
