Description:

If you are looking for peaceful country living on 8+ acres within minutes of the conveniences of New York Mills and State Hwy 10 then this is it! This three bedroom, 2 bathroom home has been meticulously cared for and many updates and improvements have recently been implemented. The brand new 40 x 60' workshop, which is plumbed for in floor heat and insulated is a perfect addition to this property, which has an additional building that can also be used as a garage and has bonus storage with the potential to finish the upper interior for any number of specific uses. In the home there is a main level primary bedroom, main floor laundry, a beautiful new fireplace in the inviting family room, open kitchen and dining with an adjacent bonus room which could be a fantastic home office or formal dining room...and so much more! Brand new roof was just done and ALL the mechanicals were replaced with new within the last two years, along with many additional improvements including 200 amp service, a mini-split heat/AC in home. Please see supplement list for a full list. There is nothing to do but move in!
