**Description:**

Don't miss this recently renovated, executive home on 10 acres in the heart of Lakes Country! Taken down to the studs in 2024, you'll appreciate the high-end finishes, updated floor plan, and pride of ownership throughout. Complete with custom cabinets and countertops, stainless steel appliances, a large center island, and walk-in pantry, the kitchen is sure to impress. The main floor has all living facilities with primary bedroom, en-suite bath, and laundry. Take in the picturesque, tree-covered views from any of the open, airy rooms in this home! With a large foyer and mudroom off the garage, bunk room with full bath above the garage, and separate office, you'll love the redesigned layout and ease of living. The attached, heated garage with floor drains and utility sink makes year-round living a breeze, not to mention the detached 3-car garage for extra storage needs. Outside, the two covered porches, thousands of acres of adjacent MP&L land, and private, wooded setting make for quintessential "up-north" living! Schedule your showing today!
