Description:

Unique 7.5-acre hilltop property in Folden Hills, Vining MN. Offering beautiful Panoramic 360-degree views and water-frontage (Unnamed) to the north. This recently constructed 3-bedroom, 1-bath home (with 2nd bath roughed-in) showcases exposed post-and-beam craftsmanship and expansive window coverage that captures the surrounding landscape from nearly every room with oversized window coverage. Built with all-metal, maintenance-free siding and roof, this home combines durability w/artisan touches. Features include a new well and septic system, a 7" concrete slab with in-floor heating recently installed, and numerous custom details. Final finish work remains (flooring, trim, misc., etc.)—property to be sold As-Is—offering the opportunity to complete and personalize this lakes-area rural property. (More photos to come).
