Status: Active

**Description:**

Contract for deed options are available. Dreaming of owning your own business? Is your once small business now flourishing and needs more space to expand? This charming, historic, and successful restaurant is located in the heart of Hackensack, just a block from the lake, Paul Bunyan Trail, and on one of the busiest corners in town. Hackensack is experiencing renewed growth, with all-new sidewalks, streetlights, and more, providing visitors with even better access to the business. Viddles and Joe is known for their pancakes, cinnamon rolls, home-style food, and welcoming atmosphere. Offering 2 yr. Old fryers, grills, and newer countertops. It also has a walk-in cooler and freezer, a dish machine, seating for 85 guests, and a full basement. The AC unit is approximately 2 years old. The current owners have worked hard to establish a name for themselves, including branding through merchandise. This gives you the opportunity to take over a turnkey business and build on its success. Or build on their success with your own business ideas. This business has experienced year-over-year growth, including during the road construction through the summer of 2025. (causing patrons to have to park a block or more away, and they still had waiting lines to get in every weekend!) Currently open 5 days a week for breakfast and lunch, the business has an opportunity to expand its hours. Customers come for the food and stay for the charm! This business presents an excellent opportunity in a town experiencing growth.
