With the open concept and efficient use of space, making this home super functional, there have also been more recent mechanical updates (plumbing, electrical, and appliances). You'll love the blend of in-town convenience and central location; it's zoned commercial but used as a residential dwelling (which is allowed), this property offers incredible multi-purpose use. It was most recently used as a primary home but is a fantastic investment opportunity (and has been successfully used as a short-term rental in the past).
