Description:

Rare Lakeside Opportunity on Dead Lake - Discover 265 feet of sandy shoreline with a gentle slope on the pristine waters of Dead Lake, set on 1.18 acres of land. This property includes a 960 sq. ft. rustic seasonal cabin, a boat garage with access to the lake, and dock.

The cabin offers a full kitchen, spacious dining and living area, two bedrooms plus an upper loft, and a half bathroom with a plumbed drain ready for shower installation.

With its rough interior finish, the cabin is a blank canvas—perfect for updating with modern touches. Truly, this is a diamond waiting to be polished.

Additional property features include 1,000-gallon septic system with 375 sq. ft. drain field (installed in 1997; compliance status unknown); a permitted outhouse with sealed tank on the primary lot; a secondary lot with an additional outhouse (compliance status unknown); and a drilled well (no available information on specifications). The cabin has a propane, forced air furnace for starting the lake season early and extending it into the fall.
