Description:

Munson Lake Stunner! This home was recently taken down to its bare bones and now belongs on the front cover of Lake & Home Magazine due its incredible design and attention to detail!

With less than 40 feet from deck to dock, you'll feel like you are literally "walking on water" when inside this property. The home sits on a half acre lot with 110 feet of shore line. This lake home features 3 bedrooms, 3 baths, 2,524 sq ft of living space, an in-ground irrigation system, a whole house generator, economic friendly natural gas/boiler heat, 3 gas fireplaces, a sauna, and incredible lake views from every room in the house! The heated garage has a bonus loft area ready to be finished to your liking.

Located just minutes from downtown Detroit Lakes, this property could be the perfect year round home, summer retreat, or investment opportunity.
