Status: Pending

Description:

Woods, water, and a great home in a great location. This stunning property is a mere 10 minutes from Detroit Lakes and features the perfect amount of tree coverage, a private pond (Charelston/Carlston Lake) and a stunning home!

This 2015 built walkout seems to have been designed to perfectly capture the surrounding nature! Featuring a main level with tons of natural light and great views, one will always feel a sense of calm and comfort at this property! Along with great views, the main level offers a nice open floorplan with an extremely well done, and functional kitchen with island. The main floor also has everything one needs including a main floor primary bedroom (with private bath) and main floor laundry!

The lower level includes a nice family room allow one to relax and unwind. Bedrooms #3 and 4 are found on this level also. Need an office space, but don't want to sacrifice a bedroom? This home also has a dedicated office/media room!

The 2 stall attached garage makes entering during the winter easy. A main level deck and lower level patios allow an owner to take in the surrounding landscape.

The lot is perfectly treed with approximately 2 acres of high ground creating a great amount of privacy without an overwhelming amount of upkeep! Don't forget the private pond access allows for canoeing and paddle boarding in the summer...or ice skating and pond hockey in the winter! Both DL and LPA buses service the area allowing for a choice between 2 great school systems.
