Description:

Discover comfort and flexibility in this thoughtfully updated home located in the heart of Sebeka. The main level features two bedrooms and two bathrooms, complemented by tiled in-floor heating throughout. Recent upgrades include new electrical, plumbing, sheetrock, and interior paint, offering a bright, move-in-ready atmosphere. The primary suite includes a private, updated bathroom with modern finishes.

The upper level provides multiple layout options—use it as two bedrooms or create one spacious suite. Also on this level is a separate two-bedroom apartment with its own entrance from the side balcony. The apartment includes in-floor heat, a combined bath and laundry area, and a well-designed living space with a living room and kitchen. At the back of the property, a 23x32 steel-sided building provides excellent potential for use as a garage or workshop. The structure includes two levels and is partially finished for added flexibility.
