West Battle Lake Retreat – 3 Bed, 2 Bath, 2,480 Sq Ft.

Experience the perfect blend of lakeside serenity and spacious living in this 3-bedroom, 2-bath home nestled on the pristine shores of West Battle Lake. With 108 feet of hard sand-bottom frontage, you'll enjoy some of the best swimming in the area and breathtaking sunsets right from your wrap-around deck.

Situated on a large, level lot, this home offers effortless access to the lake with a walk-out basement to the beach. The main upper level with 2 bedrooms, 1 bathroom and laundry was added in 2005. Designed for comfort and convenience, it features two full kitchens—one on the main level and one in the walk-out basement—ideal for hosting guests or multi-generational living.

The property also boasts a 34x24 double garage plus an additional 22x22 garage with a heated workshop—perfect for year-round hobbies or extra storage. A boat house sits near the water, and there's even a garden for those with a green thumb.

Additional highlights include a paved driveway and location on a tar road, making access easy in all seasons.
