The shop is also equipped with a (approx.) 5-year-old Chassis Liner Frame Rack and a (approx) 5-year-old hoist, making it ready for heavy-duty repairs. The facility features a Perfect Air Compressor system as well as many other tools to get the job done.

Situated on a sprawling 1.5-acre lot, the property is fully enclosed by a chain-link fence with a secure gate, providing both ample space and security. The building's exterior has been upgraded with durable steel siding and a steel roof, while LED lighting throughout ensures excellent visibility and energy efficiency.

Inside, the inviting front office and reception area create a welcoming first impression for customers. The main floor also boasts a functional break room/conference room and an updated bathroom for convenience. Upstairs, you'll find a beautifully finished office space with plush carpet, tongue-and-groove walls, and additional parts storage.
