The home is positioned in the middle of 5.6 acres, and it sits back off a paved road so you will have the privacy and convenience you are hoping for. The open concept home has vaulted wood ceilings, hardwood floors, main floor laundry, 2 main floor bedrooms, including a primary suite, and a 4-season sunroom with a fireplace just off the kitchen and dining room. Outside the sunroom door is a patio for grilling, dining and relaxing. The lower level has a large flex space that would be perfect for a family/game/theatre room or a craft/quilting room.
