

MLS 7017537 Residential

\$362,900

2,690 sq ft
4 bedrooms
3 baths

2370 Last Road
Bemidji MN 56601

Status: Active

Description:

Welcome to a beautifully maintained 4-year-new home that feels anything but typical. From the moment you step inside, the expansive entrance foyer sets the tone—bright, open, and welcoming! Wide stairwells and an unusually spacious lower-level hallway add to the sense of comfort and ease of movement throughout the home.

Natural light pours through the abundant windows, creating a warm, uplifting atmosphere in every season. The kitchen is a standout with ample counter space and a window overlooking the backyard—perfect for enjoying peaceful views during food prep.

What truly sets this home apart is the neighborhood itself. Friendly evening greetings, neighbors out on walks, and spontaneous summer get-togethers create a sense of community that's hard to find. It's the kind of place where people look out for each other—and where you'll feel right at home.

This thoughtfully designed property offers 4 bedrooms—two on each level—including a serene primary suite with its own private 3/4 bath and a generous walk-in closet. The second upstairs bedroom also features a walk-in closet, while the two lower-level bedrooms include large closets, giving everyone the storage they need.

Step outside to a backyard designed for relaxation. A large hot tub on a concrete slab offers a cozy retreat on cold winter days, and the maintenance-free vinyl siding means more time enjoying life and less time on upkeep.

With its generous layout, modern construction, and inviting surroundings, this home delivers exceptional space and value. Come experience the comfort, warmth, and community waiting for you here.
