You’ll also find a ¾ bath and two additional guest bedrooms—ideal for hosting family and friends—plus generous basement storage. Outdoor living is equally impressive with a covered front porch, spacious deck, and four-season porch—perfect for enjoying Minnesota’s changing seasons. Professionally landscaped by Turf Tech, the grounds are as meticulously maintained as the home itself. Car enthusiasts and hobbyists will appreciate the oversized 1,036-square-foot, three-stall insulated and heated attached garage. The garage features two laundry hook-ups with potential to convert one to a pressure-washing station, and the home is wired for a sauna, generator, and electric vehicle charging—providing future-ready flexibility. Association amenities include a designated covered harbor slip with electricity and access to two shared sandy beaches.
