Description:

Main-level living on nearly 3 wooded acres minutes from town in a prime location between Baxter and Nisswa. The home was fully renovated in 2024—windows, doors, flooring, granite tops, siding, roof, sheetrock, paint, trim, and bathroom—so the heavy lifting is done. A new furnace in 2025 adds peace of mind.

It could use some light cosmetic work, but the big-ticket items are handled. A private setting with modern updates —this is your chance to build instant equity in the coveted Brainerd Lakes area.
