Description:

If you've been searching for comfort, flexibility, and lifestyle in one property—this is it. The main level offers true ease of living with 2 bedrooms and 2 bathrooms, complemented by an open-concept kitchen, dining, and living area centered around a warm gas fireplace. A sun-filled, south-facing sunroom flows seamlessly to the deck, delivering exceptional natural light and beautiful southern exposure throughout the day.

Everything you need is conveniently located on one level.

Downstairs expands your possibilities. A generously sized family room provides immediate additional living space, while a sheetrocked unfinished area with daylight windows is ready to become whatever you envision—additional bedrooms, hobby rooms, fitness space, office, or abundant storage.

The oversized attached 2-stall garage is fully finished and includes a workshop area, new garage doors and openers, plus access to a patio space. Outside, the spacious yard is equipped with an underground sprinkler system for easy maintenance. Enjoy peaceful mornings on the covered patio and cool summer afternoons in the shade.

Take a short stroll to the shared lakeshore and enjoy lake life without the maintenance of direct waterfront ownership.

Major updates and peace of mind included:

New roof (less than 2 years old)

Flexible lower-level expansion potential

Southern exposure for exceptional natural light

Whether you're downsizing into simpler living or need space that adapts with your family, this home offers both immediate comfort and long-term versatility.

This is more than a home—it's a lifestyle with options.
