Description:

Nestled on 5 serene acres in Menahga Township, this beautifully updated home feels like a peaceful retreat every day. Step into the open living room and be greeted by a hand-stacked stone fireplace and soaring A-frame knotty pine ceilings, with sunlight streaming through windows that reach to the peak. Cozy mornings with coffee or evenings gathered around the fire are made even more comfortable with in-floor heat, keeping the space warm and inviting all year long.

The custom kitchen invites you to create and share meals, while the main floor layout offers the convenience of single-level living with the primary living space, laundry, and bathroom all together. Upstairs, a third bedroom and spacious loft provide extra room for guests, hobbies, or quiet retreat space.

Outside, adventure awaits. A newer 28x30 garage (2021) provides plenty of storage, and a separate single-stall garage features a cozy wood-burning stove — perfect for projects or warming up after a day outdoors. A new rear patio with pergola and five acres of open space make it easy to enjoy nature, with abundant wildlife adding to the charm. Recent updates include newer shingles, NEW carpet, newer bedroom flooring, a new water softener, and well pump.

This is more than a house—it's a home designed for memories, adventures, and a lifetime of peaceful living
