Description:

Your journey to homeownership begins here. This inviting 3-bedroom, 2-bath home blends preserved character with thoughtful updates. Original hardwood floors, a classic fireplace, and vintage glass doorknobs add timeless charm, while the updated kitchen offers modern convenience.

The main level features two comfortable bedrooms with generous closets and a remodeled full bathroom with a tile surround. Upstairs, the fully insulated and finished attic has been transformed into a private primary suite complete with a walk-in closet. The basement adds flexibility with an additional family room, a ¼ bathroom, and a bonus room that could serve as a fourth bedroom with the addition of an egress window. Outside, approximately 2,000 square feet of the 0.41-acre lot is enclosed by a 6-foot privacy fence—ideal for outdoor living. Metal siding, a single-stall garage, and an adjacent concrete parking pad (approximately 850 sq ft) provide durability and ample parking. Conveniently located near Lincoln Education Center, Essentia Health Center, and within three blocks of City Park, City Beach, and downtown shopping, this home offers both comfort and an exceptional location.
