Description:

Enjoy peaceful country living just minutes south of Bemidji. This beautifully maintained 3-bedroom, 2-bath home built in 2018, situated on 5 wooded acres on a quiet dead-end road. The home offers a spacious primary suite featuring a custom onyx shower, walk-in closet, and a sliding glass door that opens directly to a covered concrete patio. The kitchen features custom cabinetry, HDX countertops, under-cabinet lighting, and a huge center island that creates functional space for everyday living. A feature of the property is the massive 1,500 sq. ft. garage built in 2022, wired with 220 service, ideal for welding, workshop use, maple syrup processing, or other hobbies that require extra power and space. Outside, enjoy the natural setting with established blueberries, raspberries, apple trees, pear trees, and other berry varieties, along with an abundance of mature maple trees perfect for tapping your own maple syrup. In-floor heat tubing is already installed in the concrete, offering the option for future radiant heat if desired. The home is equipped with gas forced-air heat and central air conditioning, along with low-maintenance vinyl siding and LP SmartSide exterior finishes.
