Description:

Well-maintained and thoughtfully updated home situated on a spacious corner lot. This property offers two main-floor bedrooms and a full bathroom, providing comfortable and convenient single-level living.

The living room and bedrooms feature recently updated silk carpet, creating a warm and inviting atmosphere. The kitchen includes newer countertops and cabinetry, combining style and functionality for everyday living and entertaining.

The lower level includes two additional rooms that are currently unfinished, offering excellent opportunity for future expansion. With the addition of egress windows and finishing touches, these spaces provide potential for added bedrooms or additional living areas.

The exterior features durable vinyl siding and architectural shingles for lasting curb appeal. The large, fully fenced backyard provides ample outdoor space and includes a generously sized storage shed installed in spring 2025. A gutter system with leaf guard was added in fall 2025 to enhance maintenance efficiency.

Additional improvements include a water softener installed in 2023, fresh interior paint, and recently shampooed carpets — making this home truly move-in ready.

With its thoughtful updates, practical layout, and room for future growth, this property presents a wonderful opportunity. Schedule your private showing today to see all that this home has to offer.
