Description:

100' of Lake Miliona Magic! Experience the pinnacle of Minnesota lake living; from vaulted ceilings with panoramic water views to your own private movie theater and multiple decks, this 5BR+ gem is pure luxury. Known as one of the largest and deepest lakes in the area; 100 feet deep and spring-fed, its water clarity is exceptional—perfect for the "window-to-the-lake" architecture of this home.

Upon entering, you are greeted by an awesome GAME ROOM that transitions perfectly into soaring vaulted ceilings and an expansive wall of windows that frame "postcard-perfect" panoramic views of the water. The open-concept living area is bathed in natural light, seamlessly connecting the indoors with the shimmering blue horizons of Lake Miliona. Whether you're watching the sunrise with a morning coffee or hosting a sunset dinner, the lake is always your primary guest from anywhere in the home. You will love the ML owner's suite that comes complete with a large WIC, laundry room and its very own sunroom! Designed for those who love to host, the lower level features a state-of-the-art movie theater plus kitchenette, providing fun on the rainy days or all winter long! And if those guests want to stay the night, weekend or all summer, the upper level features 3 large bedrooms plus bath and the lower level provides an additional bedroom and bath! A few more bonus features include the irrigated lawn, beautifully landscaped, lakeside boathouse and located on a dead end road!

Make this home on Lake Miliona your new getaway or year round residence! Whether it's world-class fishing or relaxing while enjoying stunning lake views, your best life starts here!
