

MLS 7031013 Lake Home

\$999,000

3,188 sq ft
4 bedrooms
4 baths

15473 Wilderness Trail
Crosslake MN 56442

Waterfront: Little Pine Lake

Status: Active

Description:

Experience lake living at its best on the highly sought-after Whitefish Chain of Lakes. This beautifully updated home sits on a level lot with easy access to the water, offering the convenient and fun ability to boat directly to four restaurants. Sit around the firepit and roast marshmallows right by the shore and catch fish off the dock. The bay offers quiet lake life without boats and jet skis buzzing by all day.

Inside, the heart of the home is a stunning, modernized kitchen featuring SS appliances, gas cooktop and a layout ideal for gathering. Just off the kitchen, enjoy your morning coffee with a gorgeous view of the lake. The new windows bring natural light into the home year-round. Turn the gas fireplace on in the winter to take the chill off and add the ambience that a fireplace brings to a room. The spacious main level primary suite provides a private retreat with ample room to unwind. It features a walk-in closet, private updated bathroom with walk-in tiled shower and double sink. Step into the 3-season porch to relax while watching the plentiful wildlife and lake views. There are three bedrooms conveniently located on the same level along with a full bathroom. One of the bedrooms even has an en suite bathroom! The list of recent improvements/updates is long, but the big items are: a new roof, driveway, air conditioners, egress windows, fireplace, patio doors and deck. The Crosslake Community Center is just down the road offering pickle ball courts, park and a library. Only 3 miles to downtown Crosslake, less than 3 hours to Mpls and only 45 minutes to the Brd Reg'l Airport.

With quality updates throughout, exceptional outdoor usability, and direct access to one of Minnesota's most iconic lake chains, this home delivers a rare combination of beauty, convenience, and lifestyle. Check "living on the lake" off your list and buy a lake home!
