Description:

Nestled within the serene expanses of Little Falls, this 3-bedroom, 1-bathroom home is a true haven for families, business owners, and hobby farmers alike. Embrace a lifestyle that combines rustic charm with modern convenience on a sprawling 10-acre property, where dreams of wide-open spaces and self-sufficiency become reality.

The estate presents a unique opportunity for those with a vision. Whether you're an equine enthusiast, an aspiring auto mechanic, or a business owner seeking the tranquility of a rural home-office, this property offers endless possibilities. Imagine cultivating your own hobby farm or setting up your bespoke workshop in the extensive garage space, complete with a professional paint sprayer, air compressors, and drains.

Exceptional features include a heated office, a 14 ft garage door ideal for RVs or commercial vehicles, and a comprehensive array of tools that come with the sale. Comfort and sustainability go hand-in-hand with a wood stove and supplemental propane heat, alongside newly installed solar panels that ensure a step towards off-grid living.

The home itself boasts a durable steel roof and a newly updated septic system, both installed in 2019. Experience the ease of main-level living with ample space upstairs for additional needs. The vast, sunlit kitchen and open-concept living area are perfect for family gatherings. An attached 2-stall garage serves as a cozy retreat with heating, offering a relaxed space to unwind.

Step into a world where your entrepreneurial and personal aspirations can flourish, all within the peaceful backdrop of this versatile homestead.
