**Description:**

Perched on the bluff with panoramic Lake Shamineau views, this property offers a rare hill-hiker — providing easy beach access to over 100 feet of pristine sandy shoreline, an amenity most bluff properties simply don't have. With its combination of breathtaking views, extensive updates, and true four-season functionality, opportunities like this are few and far between. Completely transformed from a seasonal cabin into a fully winterized, turnkey home, this property lets you skip the projects and start enjoying lake life from day one.

Take in stunning water views from the expansive Trex deck with built-in lighting — the perfect setting for morning coffee, summer entertaining, and unforgettable sunsets. Inside, a welcoming entry with in-floor heat opens to a beautifully updated interior. Two bedrooms are located on the main level, while the thoughtfully finished lower level adds a third bedroom plus an additional sleeping space, a bathroom, and cozy in-floor heat throughout for year-round comfort.

Extensive professional upgrades throughout provide exceptional comfort, efficiency, and peace of mind, including premium spray foam insulation, forced-air heating, central A/C, vinyl windows, and maintenance-free siding.

The detached 2-car garage and bonus storage shed offer ample room for vehicles, boats, lake toys, and outdoor gear. Best of all, the home is being offered fully furnished and includes a newer aluminum dock, making this a truly turnkey Lake Shamineau opportunity.
