**Description:**

Welcome to 1899 Fern Trail on Washburn Lake! This beautifully done cabin has so many unique features, you have to come see it to take it all in. The current owners made this place a cabin like no other with many hand-built features that are specific to this property alone. Driftwood handrails, custom poured steps and countertops, and reclaimed beams and wood to build the walls of the primary bedroom with 2 additional bedrooms for guests or family. Enjoy sunsets on the dock or on the screened in porch to end your evenings. Utilize the full RV hookup when friends or family want to come and visit for more versatility. The lakeside yard has plenty of room for games and entertainment. Just down the road is the DNR hatchery with an artesian spring. Washburn Lake is an excellent fishery with plenty of size for recreation also. The boardwalk out to the dock is a great feature that is already in place and at the end of the dock the lake bottom is firm. This property is one you want to see before it's gone!
