Just 25 minutes from Detroit Lakes, this rare find offers the perfect combination of seclusion, space, and year-round comfort.

Strawberry Lake is known for its crystal-clear waters, hard sandy bottom, and outstanding fishing - making it a true gem for outdoor lovers. The versatile sunroom/flex room serves beautifully as a third bedroom, home office, or all-season retreat; offering incredible flexibility for how you use the space. A 600 SqFt loft, with 4 beds included, offers plenty of additional sleeping space for guests or family.

The cabin was thoughtfully built on a slab for easy, low-maintenance living and is equipped with air conditioning and three heating options: a fireplace, electric baseboard, and mini-split heat pumps.

A 24x28 heated detached garage provides space for vehicles, toys, and storage.
