**Description:**

No more rambling through listings, this rambler deserves your attention! Welcome to this inviting rambler-style home offering comfortable living with a finished lower level and plenty of space to enjoy. Featuring 4 bedrooms, 2 bathrooms, and an attached oversized 2-stall garage, this home provides both functionality and room to spread out. The main level offers 1,170 sq. ft. and welcomes you with 2 bedrooms, a spacious full bathroom, and a versatile main-level laundry area that could also serve as a home office. The desirable kitchen flows seamlessly into the dining area and living room, creating a great layout for everyday living and easy entertaining.

The lower level adds another 1,170 sq. ft. of living space, highlighted by a cozy family room with a fireplace, perfect for relaxing evenings. You'll also find 2 additional bedrooms, another full bathroom, and a convenient laundry room. With room to live, relax, and entertain on both levels, this home offers a layout that simply works!
