Description:

Fully renovated with modern and timeless flair on sought after Pokegama Lake, this home is ideal as a year-round residence, cabin, or short term rental. The slab-on-grade layout features a spacious living room, new kitchen with custom cabinetry and hard surface countertops, along with luxury vinyl flooring and solid doors throughout. All electric and mechanical is new, including mini-split heat/AC plus electric units in each room. A rough in for natural gas fireplace has been brought in for ease of the future owner. The bunkhouse behind the garage hosts its own bathroom and would make an ideal home office or space to add bunk beds. Exterior upgrades include new board-and-batten siding, black steel roof, paved driveway, patios, and septic system (2024). Quality is evident in all the finishes. Enjoy easy access to the lake with newly cleared switchback steps leading to a moderate elevation shoreline, where you'll find a sandy beach area—perfect for relaxing or letting kids play at the water's edge. The oversized yard on the lakeside offers incredible space to entertain, unwind, or expand. An additional building area between the top of the hill and the septic offers potential to add another lounge, large garage or pavilion close to the lake. The house structure might sit closer to the road, but the huge yard on the lake side makes total sense. Just 1/2 mile from Zorbaz and minutes to town!
