472 Main Avenue
Turtle River MN 56601

Status: Active

Description:

Don't miss this one. Hard to find 2 bed, 1 bath home tucked into a private wooded setting just minutes from Bemidji. This is the kind of property buyers have been waiting for. Affordable, move-in ready, and packed with that true up north cabin feel.

Inside you'll find a warm, inviting layout with tons of character, plus key updates including newer roofs in 2022. Step outside and you've got a front deck for morning coffee and a covered patio perfect for winding down at the end of the day.

Detached garage gives you extra space for storage, toys, or a workshop. Location is a huge win here with quick access to Turtle River Lake and the Paul Bunyan Trail for year round recreation.

Whether you're looking for your first home, a weekend getaway, or an investment, this checks the boxes and then some. Properties like this in this price range do not last long. Schedule your showing before it's gone.
